## C E R T I F I C A T E

Congratulations on your child-labor-free rug purchase. The GoodWeave label offers assurance that no children were illegally employed in its making. Every GoodWeave purchase helps get children off looms and into schools.

\_\_\_\_\_ makes a regular contribution to the GoodWeave certification program, which goes toward monitoring services and the education of former child weavers.

The GoodWeave label (*shown left*), found on the back of your \_\_\_\_\_ rug, displays a unique number that can be tracked to the loom where your rug was produced.
